## How will I be Assessed?

This qualification is competence-based, learners must demonstrate the level of competence described in the units. Assessment is the process of measuring a learner's skill, knowledge and understanding against the standards set in the qualification.

The qualification must be assessed by an appropriately experienced and qualified assessor.

Each learner is required to produce a portfolio of evidence which demonstrates their achievement of all of the learning outcomes and assessment criteria for each unit.

Evidence can include:

- observation report by assessor
- assignments/projects/reports
- professional discussion
- witness testimony
- learner product
- worksheets
- record of oral and written questioning
- Recognition of Prior Learning

**Learning outcomes** set out what a learner is expected to know, understand or be able to do.

**Assessment criteria** specify the standard a learner must meet to show the learning outcome has been achieved.

## Internal Quality Assurance

An internal quality assurance verifier confirms that assessment decisions made by Tutors are made by competent and qualified assessors, that they are the result of sound and fair assessment practice and that they are recorded accurately and appropriately.

## Adjustment to Assessment

Adjustments to standard assessment arrangements are made on the individual needs of learners. Our Awarding Body's "Reasonable Adjustments Policy" and "Special Consideration Policy" sets out the steps to follow when implementing reasonable adjustments and special considerations and the service that we provide for some of these arrangements.

## Certification

Learners who achieve the required credits for qualifications will be awarded:

- A certificate listing all units achieved with their related credit value, and
- A certificate giving the full qualification title:
